

Tanawin Operating Expenses

A mobile expense tracker for a bed-and-breakfast.

Staff log market runs and bills from their phones. The owner reviews, approves petty-cash top-ups, reconciles receipts, and hands clean books to the accountant.

- Multi-item receipts
- Petty-cash approvals
- Role-based access
- Auto-flagging & review
- Excel + receipts export
- Installs to home screen

All names, vendors, amounts, and receipts shown are fictional demo data.

Notes

Menu

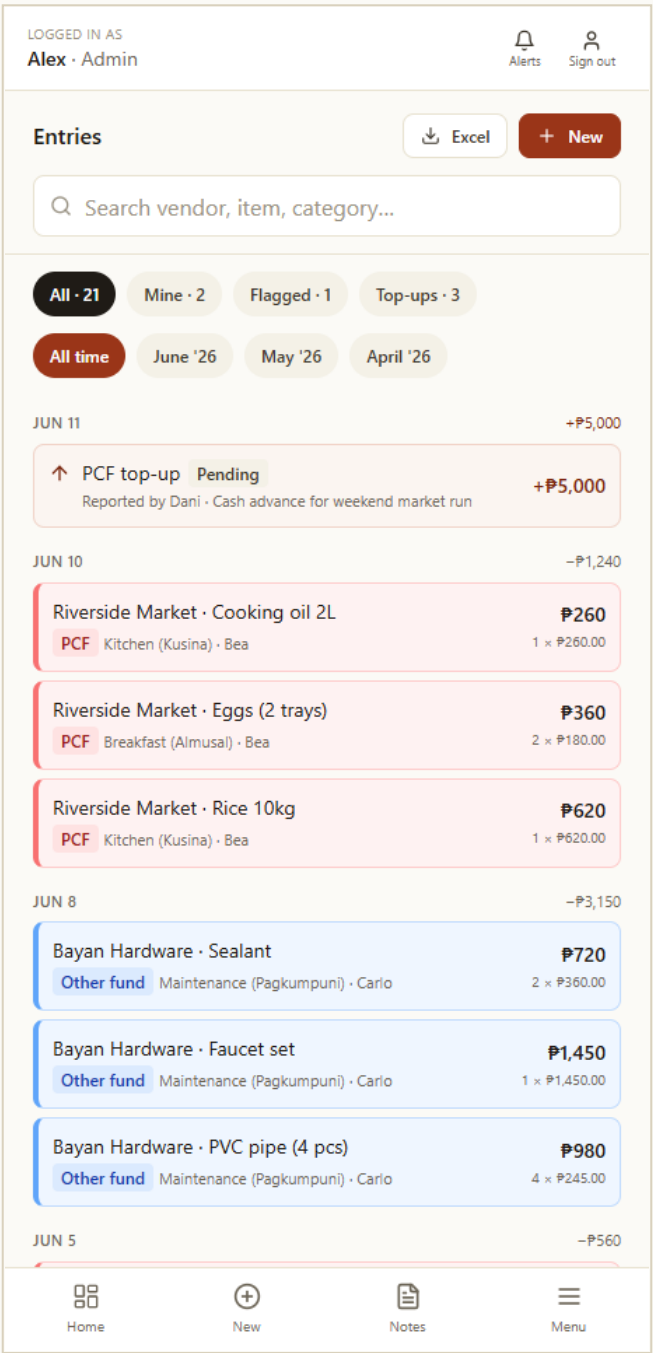

Petty-cash balance, what needs review, a one-tap expense log, and spend by tag as a pie or bar chart.

Analytics & insights

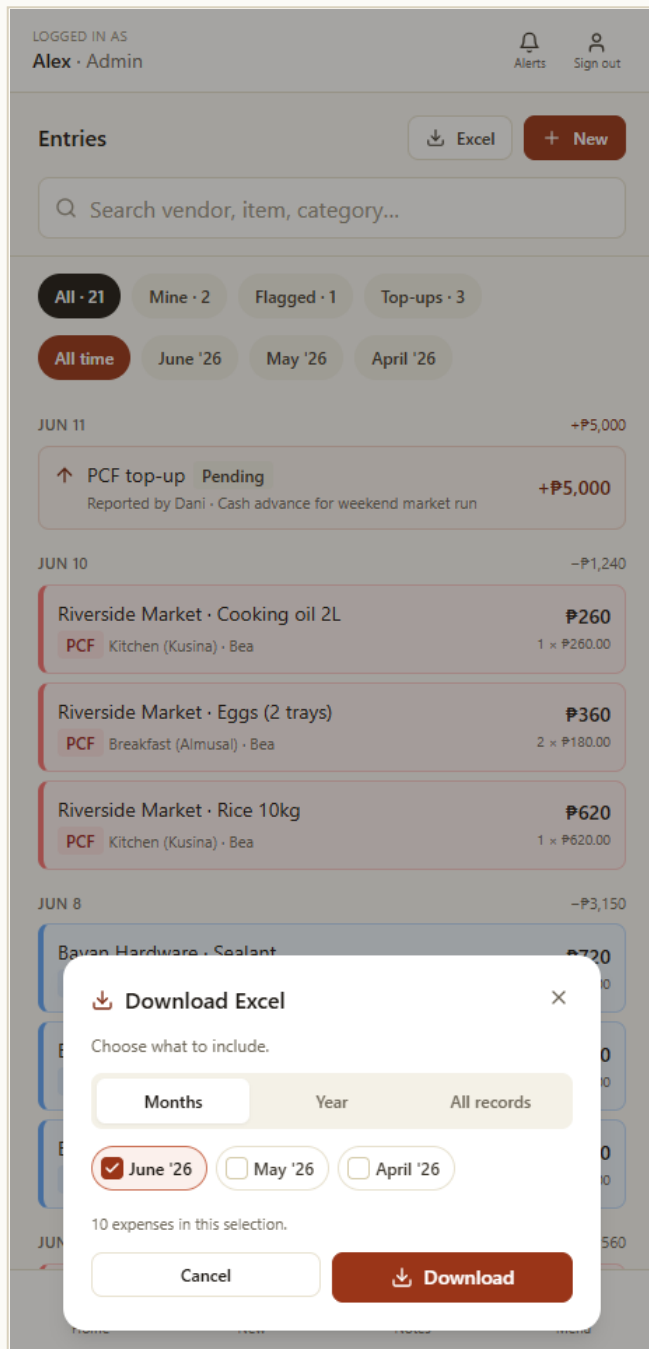

Tap a chart to drill in. Filter by month(s) and tag with checkboxes; see spend by staff and funding source, trends, and plain-language recommendations.

Expense ledger

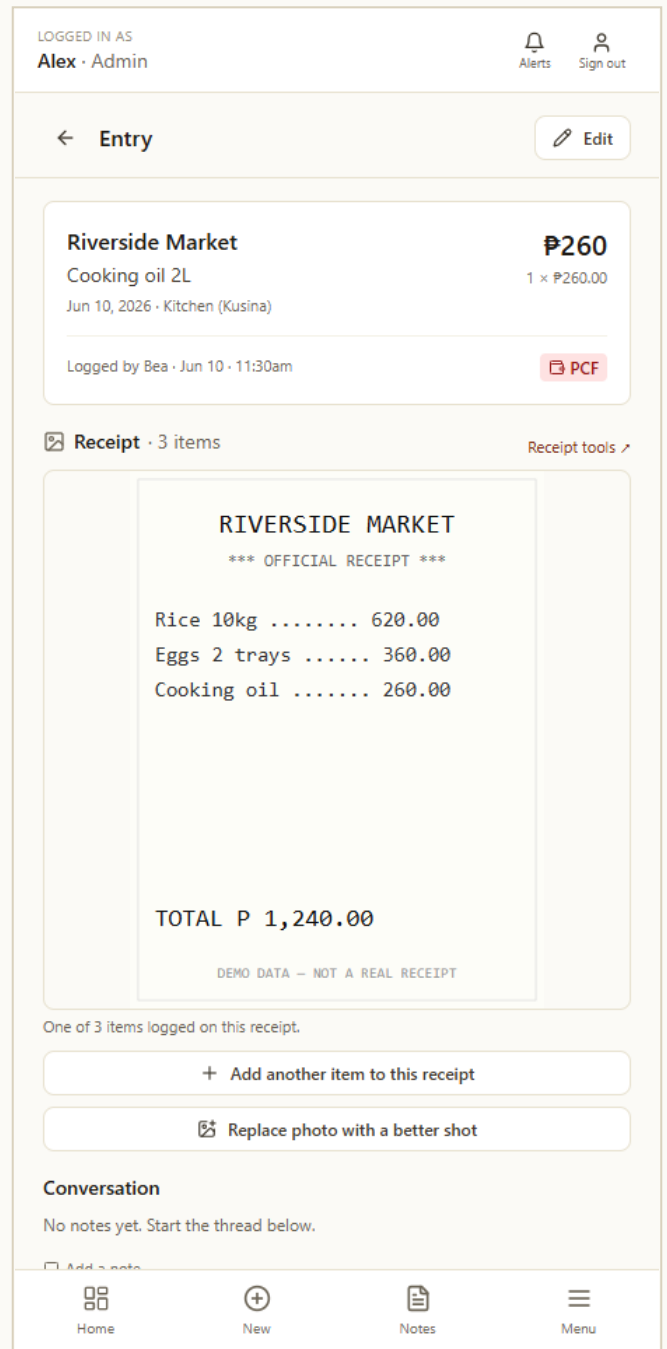

Excel export

Export to Excel by month, several months, or a whole year. The workbook lands clean: sorted by date, money formatted, internal IDs dropped.

Entry & receipt

Each line item links to its receipt photo, edit history, and an internal note thread.
