

Tanawin Operating Expenses

A mobile expense tracker for a bed-and-breakfast.

Staff log market runs and bills from their phones. The owner reviews, approves petty-cash top-ups, reconciles receipts, and hands clean books to the accountant.

- Multi-item receipts
- Petty-cash approvals
- Role-based access
- Auto-flagging & review
- Excel + receipts export
- Installs to home screen

All names, vendors, amounts, and receipts shown are fictional demo data.
